## WHO WE ARE

Led by owner and designer, Anne-Claire Petre, Anaca Studio is a Melbourne-based furniture design practice that works closely with its local manufacturers to create a range of contemporary products echoing its commitment to good design practices.

Upholding the studio's principles of practicality, integrity, clean aesthetics and simplicity, all furniture and accessories are made in Australia using sustainable timbers, materials and finishes, and each unique piece is made to order for the commercial and residential market

## ENVIRONMENTAL AWARENESS

We make beautiful furniture with a heart and a soul.

From the start of the creative process to delivering the end-product, being eco-friendly is always on our mind.

Manufactured 100% in Australia, because it's nice to work face to face with our manufacturers any day of the week and to support the local industry and craft people.

## GOOD DESIGN

We believe good design is a combination of practicality, innovation, integrity, aesthetics, simplicity and attention to details and it should be built to last.
